## U13's CURTAIN RAISER – KESTRELS vs PHOENIX

At the local derby between these two teams, the MDNA U13 –1's will be playing at the State Netball Hockey Centre on Friday May 21, 04. This is their Round 8, not an exhibition game, and two lucky teams will be playing Centre court, with the other 3 games on side courts. (No info on which teams, sorry!) This is very exciting for our girls, so if you were thinking of going along to the big game, you can now cheer on our U13-1 Jade girls as well. Check [www.netballvic.com.au](http://www.netballvic.com.au) for more details, or arrange tickets through Ticketek.

The grading matches have all been played, and these are the confirmed sections for each of our teams for the Winter Season, 2004. Good luck and an enjoyable season to everyone!

We thought it would be great if we found out more about some of the people who make up our Club. In this issue, we have a chat with Linda Wilde, and Nicole Anderiessen.

Linda became a Life Member of WSNC in 1996, one of only two to be awarded. She's done nearly everything at our Club over the years, and is now coach of the U13 Pearls.

**How long have you been with WSNC?**  
Since 1990, about 15 years.

**What roles have you filled in that time?** Umpire, Umpire's Convenor & coach (all at the same time!), President for 3 years, and a committee member in various roles. I've coached teams from Netta level through to Open age.

**When did you start playing netball?** I started when I was young and played into my late teens. Then I played with St. Luke's Mothers Club, and various work teams for a long time.

**Are you still playing? If not, why not?**  
No – the mind is willing but the body isn't!

**What's your overall philosophy on playing / coaching?** First – have fun. Base your game on solid skills, and above all else be a team player, rather than play an individual game.

**What's your greatest netball achievement?**  
Developing my two daughters into good netballers with the right attitude; and coaching an U11 team to a Premiership in 1996.

**What's your biggest netball disappointment?**  
Don't have one – I've enjoyed it all.

**What makes you proud to belong to WSNC?**  
It hasn't been a Club that has gone out to win at all costs, we haven't poached players as some clubs have. Also we have embraced everyone who wanted to play, there's always a position at whatever level a child can play at.

**What, if anything, would you change?** I would probably prefer for the season to start later and have fewer breaks. The three week break at the beginning of each Winter season makes it very hard for continuity, and makes a long season only longer.

**Do you have a message to existing players?**  
Yes, just enjoy it! Be team players, and play the game in a sportsman-like way.

Nicole has been selected by the Central Eastern Zone Training Academy this year. She is one of only two MDNA players to be selected, a great achievement.

**How long have you been with WSNC?**  
About 8 years.

**What roles have you filled in that time?**  
As well as playing, I've been umpiring for the last 2 years. I've also represented WSNC in MDNA representative teams.

**When did you start playing netball?**  
When I was about 7. I had one year at Studfield Netball Club before joining WSNC.

**Which team are you currently playing with?**  
The U17 – 1 Crystals.

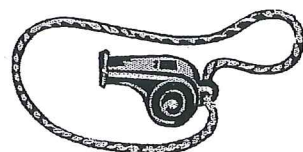

**What's your overall philosophy on playing?**  
Play every game as well as you can, help your teammates, and have fun.

**What's your greatest netball achievement?**  
Being selected this year for the Zone Academy. There were 85 players trying out for 25 places, and I made it through.

**What's your biggest netball disappointment?**  
Losing an U15 Grand Final 3 years ago, especially as we lost to a team we had beaten twice during the season.

**What makes you proud to belong to WSNC?**  
I've been here a long time, my friends are here, and I'm just happy to be with the Club.

**Do you have a message to existing players?**  
I used to do athletics, and also used to be tall for my age, which really helped me at first with netball. But to keep playing, and to do well, you have to work at it by training & trying to improve your skills all the time. But most of all, you have to have fun.

### VOTING TIPS

If you find this a really difficult job, or perhaps haven't been asked (yet!) then we have a tip for you – make a note for yourself of the best players quarter by quarter, then add them up at the end! It's often hard by the 4<sup>th</sup> quarter to remember who starred in the 1<sup>st</sup>, so this way you'll find it a lot easier when it comes time to write those names down. For Netta's & U11, this isn't for you yet; for all others, hope it helps.

### WHILE ON VOTES.....

Would all coaches and/or team managers please make sure they return their Voting envelopes on game day, or as soon as possible afterwards, to Heather Wailes. You will find Heather at either the U15-2 or U17-1 game (both at 12:40) or at 160 Wallace Road, Wantima South.

If you want your votes to count, they have to be handed in!

### SKILLS CLINICS

Some of these have been held already, with many girls saying how great they are, how much they learned, and how much fun they had. Not to mention meeting and being taught by some of the best netballers and coaches this country has – what an opportunity and an inspiration for our girls! Please read the attached flyer if you are considering going along to one of these, or look up the Netball Victoria website for more info. [www.netballvic.com.au](http://www.netballvic.com.au)

### MDNA WEBSITE:

You can now access the MDNA website through SportingPulse. While still being worked on, it's a great improvement on the previous website, and is very useful for the Dates to Remember in particular. Go to [www.sportingpulse.com](http://www.sportingpulse.com) Select – Netball, then Victoria, then Mountain District Netball Association.

### TEAM PHOTOS

We have been advised that there will not be any team photos taken at the MDNA this season. Any team wanting these will need to make individual arrangements.
