### General Committee Members

Kathy Adams	Liz Brown
Caroline McCormick	Julie Papa
Mal Proven	Deb Spencer
Tammy Swann	Heather Wailes
Diane Steffensen (Property Coordinator)	

Our enthusiastic committee group warmly welcomed two new committee members at our first meeting for 2006. At this meeting it was noted that the Club is financially secure and membership continues to grow. The Club now boasts three Netta teams, two 11& under teams, four 13& under teams, four 15& under teams, two 17& under teams, two Open and one A-Grade team – a total of 18 teams!

At this stage all teams have coaches except for one 15& Under team. **Anyone interested in becoming the coach** for this team is encouraged to contact Liz Brown on 9801 1527. Liz would love to hear from you!

### Nettas

At the recent MDNA meeting, Sandy and Pam were advised that the rules regarding age limits for Netta players have changed. The new regulations state that a child must be already 8 yrs of age in order to take the court. However, if a child has completed Nettaskills or Funnet they can play. As this is a new regulation, children will also be assessed by the MDNA if they have completed 'in-house' training. Any concerns regarding this new regulation should be addressed to Liz Brown.

### Goal Posts & Pads

It was also decided at the MDNA meeting that each Netta and Under 11 team will be responsible for putting out and putting away **one pad and pole** at the beginning and end of each appropriate game, and those playing the final game of the day need to put away. Could each team organize a roster to ensure this happens please.

### Uniforms

Many thanks to Caroline McCormick for taking on the role of 'Uniform Coordinator'. If you would like to purchase a new uniform, or buy or sell a second-hand uniform, please contact Caroline on 9887 0787 or 0411 231 583. Her address is 12 Helsal Drive, Wantirna South.

### MDNA Holiday Clinic

*June 19 & 20, 2006*

Players aged between 9 and 15 can improve their skills by attending this two-day clinic which will have Representative Team Players and accredited Coaches running each session. The two-day Clinic will be held at the Knox Regional Netball Centre, in Ferntree Gully and will cost \$50/player.

Details will be given to your coach, please ask for forms if you are interested in registering.

## Gradings

Thank you to all who came along to participate in our recent club grading days. Thanks to your co-operation both days ran smoothly, and in particular we'd like to thank the graders who also gave up their Sunday mornings for us.

We were very lucky to have the services of our own Breanna O'Moore and Taryn Kirby (A Grade players for our club) and Chriss Ryan (U11 Skills coach); Marlene Coloretti (MDNA Representative team selector and Rep coach); Danielle Flower (Victorian U21 netballer), and Kim Flower (Victorian State Schools Sporting Association selector and recently Commonwealth Games Netball teams co-ordinator). Their combined knowledge and experience gives our club something extra over other clubs – quality, impartial advice and experienced assessments of our players.

**Here's to a wonderful 2006 year - Let's encourage everyone to have fun and do their best!**
