## WELCOME TO THE THIRD 'WANTIRNA SOUTH NETBALL CLUB' NEWSLETTER FOR 2006.

### Presentation Night

Next Saturday, 26 August is our annual Presentation night. We are all looking forward to a great night with a fantastic DJ booked, delicious food organized and many trophies to be awarded! If you haven't yet bought tickets please ring Wendy on 9801 3556 by Tuesday evening at the latest (due to caterers needing to know how many cater for well before the evening, tickets will **not** be available after Tuesday night!). Remember, everyone is asked to BYO drinks, glasses, nibbles, bottle openers etc. See you all at The Hungarian Club at 7pm.

### Spring Season

Round One will be played on October 7 with Round Eight on December 2. Good luck to all who make the Spring Season Grand Final on December 9!

The Spring Competition is a good opportunity to begin umpiring matches. Anyone wanting to umpire for Spring should contact Mal Proven ASAP on 9801 3864 or [mproven@bigpond.net.au](mailto:mproven@bigpond.net.au). Our Club President, Pam Last, would also love to hear from anyone wanting to coach or be assistant coach to a team throughout the Spring competition. Please contact her on 98015485 or [last@people.net.au](mailto:last@people.net.au).

### Umpires Congratulations!

These umpires were selected by the MDNA to umpire in the first round of finals last week: Mey Wun Boey, Katherine Last, Alicia Rady and Natalie Savory. We no longer need to supply a badged umpire for every team we have competing in finals, the MDNA select those they believe to be up to the standard required, so congrats to these four umpires.

To be eligible to play Netta in 2007, children need to have turned 8 before the start of the season, which is usually late March. The Netball Association will consider children who are still 7 yrs of age, but **only** if they have completed the Nettaskills program in 2006, and they have assessed the child as being ready to play in Netta.

Please just ring Caroline if you need more info on this one.
