**A Must Read** again. Finally the rains have come. This will prevent some teams from training on wet and miserable nights. **Please ensure that you have the coach's phone number** so you can ring to ensure that training will be happening. Coaches will endeavor to contact all player themselves however it will make life a lot easier for coaches if the player were able to call them. **This week coaches left messages on some of the girl's home phones and mobile phones and they still turned up for training.**

## FUNDRAISING MADE EASY.

Rebel Sport and Ritchie's I.G.A. both offer a rebate on purchases made at these stores. Not only do we receive 5% from Rebel but you also receive a 5% discount on any purchases made at Rebel, all you have to do is quote the Wantirna South Netball Club Number #26443 when at the cash register or apply for a rebel sports card (using Wantirna South Netball Club Number). Ritchie's cards are also available, 1% of all purchases made is rebated back to our club, so please just contact any of the committee members or Debby Carter for a W.S.N.C. Ritchie's card. Every little bit helps.

A Fundraising bus will be organized in the spring comp. for anyone wanting to enjoy a night out at the Crown Casino. Yeh yeh I know I'm slack, NEXT newsletter.

**Congratulations** to Hayley Black on receiving her 'C' grade umpiring badge. Hayley joined our club this year, coming from Wantirna Heights, Hayley play's in the 17/1 (Corellas). This is a huge feat for anyone to achieve as we all know that umpiring is a thankless job and to keep umpiring and advancing through the ranks certainly requires a strong personality.

BIG THANK YOU TO BOTH REGENCY PARK PRIMARY SCHOOL AND WANTIRNA SOUTH PRIMARY SCHOOL.

Wantirna South Netball Club could not function as well without the support both these schools have given us over the years. Not only do they provide the courts for us to train on but have on many occasions supplied us or allowed us to use their facilities. This year our presentation night tickets and newsletter's were printed at Regency Park Primary School and the new Hand Book was printed by Wantirna South Primary School, this has made a huge savings for our club and we appreciate all the help that these two schools give us.

Each of these schools have policies in place that, we as users of these facilities, are required to follow, i.e. no climbing over fences, no littering, no riding bikes or skateboards in the grounds etc, please abide by these rules and give respect to all teachers, these facilities are a privilege and we do not want to loose them. ☺

### Email Addresses

If you wish to receive our newsletter please fill out the details below, we have been advised that a number of our emails are player's emails and as most of you know, 12 year old girls do not pass anything on to their parents ☺ unless it has to do with money or clothes.
