Spring Season

is only a few weeks away too, but we haven't finished Winter yet! Finals and Presentation Night are still to come, so we won't be advising teams just yet. But we can advise that teams have remained the same wherever possible, as is our policy for spring season. Your coach will be contacting you soon regarding your team and training times. As usual though, we won't have confirmed grades or fixtures until the week before the season starts, so please bear with us, you will be advised as soon as we know ☺

PRESENTATION NIGHT - August 23rd, 2008

If you haven't ordered your tickets to our annual Presentation Night, you need to contact Debby Carter NOW! Her number is 9801 8256 and she is distributing tickets and finalising numbers RIGHT NOW!!

We have had a few enquiries into the price of Presentation Night. Each ticket covers not only the meal, which includes dessert and unlimited tea and coffee as well as the main course; it also covers the disco and the hire of the venue; and other small items including the balloons and table decorations. For the full adult price of \$25 you get a great night out, a meal and entertainment from 7:30 until midnight - and it costs even less for the kids.

This is great value, and the only time in the year that the whole club gets together and celebrates all its players, its coaches, its umpires, in fact anyone connected with the club at all, and we party like no other club does!!
