Newsletter No. 1 - March 2009

Welcome back to netball for 2009, Round 1 is this Saturday 14<sup>th</sup> March so make sure you know your team, your time, your nails are cut and the runners still fit!

Our club continues to grow, with 21 teams being fielded this year. The most pleasing thing is that our teams are across the whole spectrum of ages and abilities, continuing with our philosophy and aim of being a club for everyone.

The best way to keep informed about your team in terms of ladders, byes, and if you've played enough games for finals etc., is to check the MDNA website at

<http://www.mountaindistrictnetball.org.au/competitions.asp?OrgID=402>

This year the MDNA has done the allocation of teams into their sections a little differently, but at this stage we're happy with where our teams have been placed. For teams in competitive sections, the first 4 rounds are grading games, after that there will be no re-grades so we will keep a close eye on how our teams are going and make any requests accordingly. The 11's and 11 Modified will be re-graded at least twice throughout the season.

Our teams and times are listed below (please check with your coach or on the mdna website for byes or re-grades though)
