Newsletter No. 3 - May 2009

HARD TO BELIEVE, BUT WE'RE ALREADY HALF WAY THROUGH THE SEASON!

This is a 15 round season, and 8 rounds have been played. This is where our teams are at this stage – if your team is struggling then we hope for a better 2nd half for you, if you're knocking on the door of the 4 then keep it going so you can make finals, and if you're team is doing well, then keep it up!

HUGE CONGRATULATIONS to Susan Papa, who attained her Umpires 'C' Grade badge last week. There was never any doubt that you'd achieve this Susan, just never thought you'd go for it! But we're very pleased you did and very proud of you. Well done!!!

"CENTRAL", FORMALS & FAMILY HOLIDAYS

Do you have any of these coming up, when you won't be able to play netball?

Please let your coach know now if the answer is YES.

When some of these events come around we can have most if not a whole team missing, we've even had to forfeit which we really hate to do!

A number of our teams are struggling for players at the moment too and one or two players away can make a huge difference, so if you would please let your coach know if you plan to be away anytime during the rest of the season,
