Teams which have been re-graded

Congratulations to our Winter season Premiers - 13-2 Rosellas! The team was coached by Stephanie Proven who now has an enviable 100% record of one season, one Premiership! Well done girls and everyone involved with this team!!

Don't know when he gets time, but Alan Bull's secret other life has been revealed!

In between being our club rep. on the MDNA Council, U15's Rep. team manager, MDNA Grounds Maintenance Officer, (oh and earning a living at his day job as well) seems he's moonlighting as a fireman!

He'll tell you that's not him in the photo on the left, taken on Presentation Night at Rowville Community Centre, but he looks an awful lot like you Alan.

PS Thanks for the photo Penny :)

SPRING FEES are now overdue - if you still owe fees please ensure you pay them now, either by EFT or bring them along this week to netball. If you are paying in cash please put it in a sealed envelope with details on the outside, so your coach or team manager can easily pass it on to our Treasurer. If you need to make payment arrangements please call Debby Carter on 9801 8256 or 0409 199642 to have a chat. Thank you!

FACEBOOK is a fantastic way to keep in touch with friends and family. But it's worth remembering that NO conversation on FaceBook, MySpace, or MSN is private and whatever you tell one person you might as well be telling everyone on the TV news! This includes your coach, your team-mates, your players & even their parents if you are a coach, players and officials from other clubs and even umpires!

This is just some friendly advice - if you wouldn't say something to someone's face, then don't say it on FaceBook!

WINTER 2010 PLAYER REGISTRATION DAY Saturday 21 NOVEMBER, 2009

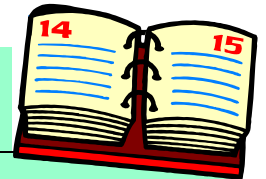

We're doing something a bit different this year with our player registrations. For a long time now we've combined Registration Night with our Annual General Meeting, but as fewer and fewer members attend the AGM or send in their forms, this isn't working anymore. We have nearly 200 members now and we typically get forms from only 40% or so by the AGM. We'd like you to understand that when no registration form is received, someone has to put in their own spare time to follow this up, especially for the players involved with gradings. Just "telling someone" you're playing isn't enough - we really can't plan around people who won't even fill in a form. But we're a nice club ☺ and don't ever want to leave players out just because they or their parents "have been busy and forgot" - but please! our volunteers are busy too! So we're trying something different that we hope will work well and we're asking for your co-operation .

We will have a Registration Table set up at the netball courts on the 21st Nov. to take registrations and/or payment for the 2010 winter season. We will send forms out earlier and of course registrations can also be taken prior to this day, either by mail, in person or at the AGM. Fees can be paid by EFT, cheque or cash, but not eftpos.

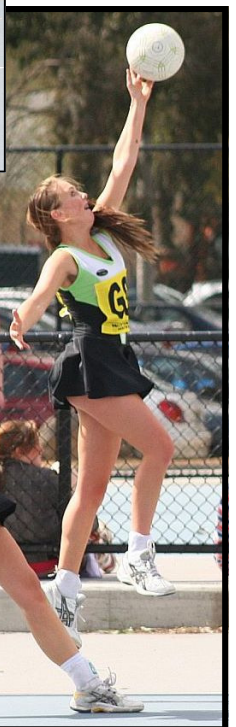

SEE YOU THERE!

Wantirna South Netball Club 2009

Amazing scenes on Grand Final day, when our 17-1's went down to arch rivals Rowville in double extra time - heart breaking but we're very proud of all of our girls for their effort, and their attitude and demeanour during and after such a tense game ☺

The Premiership that got away. . . . The people in the middle and right think we've won; those on the left know the umpire has called 'no goal' - 17-1's play the most exciting grand final since, well, they drew with Rowville in 2008!
