## *March 2011*

Welcome back to netball for 2011, Round 1 is this Saturday 19th March so make sure you know your team, your time, your nails are cut and the runners still fit! If you have not already arranged a uniform for this season or need a new one, please contact our Uniform

Co-coordinator Vick Stanciu as soon as possible (0433 277 591)

Our club has consolidated its numbers with 20 teams being fielded this year. The most pleasing thing is that our teams are across the whole spectrum of ages and abilities, continuing with our philosophy and aim of being a club for everyone. For teams in competitive sections, the first 4 rounds are grading games, after that there will be no

re-grades so we will keep a close eye on how our teams are going and make any requests accordingly. The 11's and 11 Modified will be re-graded at least twice throughout the season.

Please be advised that all coaches have information regarding correctly registering and qualifying players for finals – if it's your turn to score please ensure score sheets are filled in correctly every week. This information is in your coaches bag so please feel free to ask if you would like more information.

**WSNC is on bin duty for round 1 – bins need to be placed throughout the venue**

**Prior to round 1 and brought back in after the final game THIS SATURDAY!**

**We wish you all a fantastic season of netball in 2011!**

---

By now you should have been contacted by your coach advising what team you are in and what time your game is. If you have not been contacted as yet please call Liz Brown ASAP on 0434 233524

On wet days, you still need to come to the Knox Netball Centre. Failure of the whole team to attend on wet days can be deemed to be a forfeit even if the game ends up being cancelled because of the weather.

**Wantirna South Netball Club**
