## RULE CORNER

**Unfortunately injuries are sometimes part of netball.**

**If there is an injury and the player removes their bib they must immediately leave the court and cannot resume play until after the next goal is scored.**

**Where the player keeps their bib on, they have two minutes to recover and then, if not ready to play, must leave the court. If they decide to continue to play and the injury forces another stoppage, play will only stop for 30 seconds.**

## Uniforms

*If you need any uniform please contact Vicki Stanciu on
